FORWARD

HIS Holiness Sahib Sri Satguru Jagjit Singh Ji's holy and revered Blessings prior to this forward has all in itself . With the holy grace (KIRPA) we are indebted to Sri Satguru Ji in upbrining the Namdhari hockey team , whose tremenduos success in so short a time is nothing but self explanatory and this is soley and entirely Sri Satguru Ji's blessing . The Namdhari are marching towards hockey peak Nationally and Internationally .

On this first Historic visit of the Namdhari Hockey team to Europe, the Namdhari Sports Committee of the Namdhari Sangat U.K. , has made a remarkable effort in launching this magazine . This will be a milestone in the Namdhari sports arena .

While I extend my warmest greetings and good wishes to all , I humbly pray to Sri Satguru Ji for His Holiness's Divine Blessings for the success of hockey tour .

VASDEV SINGH BILAMRAH
Publicity Secretary ,
Namdhari Sangat- U.K.

A WORD FROM THE CHAIRMAN

Sri Satguru Ji's Blessings and Grace plays the almost important role in the Sikh way of life and salvation .

According to the Founder of Sikh Religion Sahib Sri Satguru Nanak Dev Ji, the grace is a reciprocal gift in response to man's love of God . A Gursikh even seeks Grace to enable him to lead a humble life of devotion and truthful living . No matter how good a Sikh's action (Karma) without a living guru may be he still needs the Grace from living embodiment of God - Sri Satguru Jagjit Singh Ji Maharaj it is my great pleasure to welcome India's Namdhari Hockey Team to this European Tour .

As Sports is an active part of an individual's life , it has been the Sikh Community's Major asset since the times of the sixth Sikh Guru - Sahib Sri Satguru Hagobind Ji .

During the times of Sri Satguru Gobind Singh Ji, the community enriched sports such as Gatka , Horse -riding , tug of war , wrestling , polo , archery and physical excersises which were given great attachment .

In 20th . Century Sri Satguru Pratap Singh Ji practically and physically followed the footsteps of Guru Gobind Singh Ji in sports fields. Whilst on tour of East Africa in 1959 . Sri Satguru Pratap Singh Ji Blessed and praised the Sikh Union Club of Nairobi in winning the Hockey tourment .

The visiting Team is formed under the Spritual Auspices and guidance of the present Guru of the Namdhari Sikh's H.H. Sri Satguru Jagjit Singh Ji Maharaj . The team has acheived notable success in major tournaments throughout India . Sri Thakur Dalip Singh Ji and Sri Thakur Udey Singh Ji themselves keen on hockey players , played an important part in organising and selecting the Namdhari Hockey Team .

A signifciant feature of the Namdhari team due to religious principles is that the players are seen wearing Turban and Keshara and not shorts whilst on the field .

Finally on behalf of Namdhari Sangat's U.K. Sports Committee, I warmly request everyone to participate in this hockey programme and wish visitors a successful tour and to all a happy hockey festival .

MESSAGE

3rd June 1989

It gives me great pleasure to know that our **Namdhari Hockey Team** has been honoured by inviting them to tour U.K. and **Spain** by **Newham Hockey Club (London)** affiliated with the **Essex County Hockey Association (H.A. U.K.)** in collaboration with the local Namdhari Sikh Sangat to play matches at London.

Hockey is one of the important event of sports. India was known for its supremacy in the world. In fact, Indian hockey reigned supreme for over half a century. The dominance continued till a change was brought about in the playing surfaces and rule.

Tournaments provide an opportunity to young players, up-coming teams to exhibit their talent and skills before their counterparts in other countries. It gives impetus to countries also to promote sports in their countries. It also provide an opportunity to give tremendous boost in generating more interest in popularising the game among the youth. Sports encourages national integration, communal harmony, quality of leadership, fellowness, discipline besides moral values and physical fitness.

I am sure the participating teams of U.K. and Spain shall exhibit their best and Hockey lovers of U.K. shall enjoy these matches played by our Namdhari Hockey Team during their visit.

I wish them all success.

I am sincerely indebted to His Holiness Sri Sat Guru JAGJIT SINGH Ji Maharaj who has graciously agreed to allow the Namdhari Hockey Team to visit England and Spain this summer.

The Indian National News Papers have amply praised display of Namdhari Hockey Team and strongly commended their performance. According to the media the Namdhari Hockey Team have exhibited high standard of hockey and toppled down the high ranking hockey teams of the countries in the 'All India Hockey Championship Tournaments' The teams they encountered may be enumerated as follows :-

The Panjab Police,
The Jullunder Signals,
The Panjab and Sindh Bank,
The B.S.F. Jallunder,

By virtue of the sustained spade of victories they have won several trophies to their credit, and have, therefore been accredited being 'AI' hockey team in India.

It is a rare opportunity to witness a Namdhari (Sikh) Hockey Team in the United Kingdom. I welcome the team on behalf of the Ramgarhia Sabha, Southall and of course, on behalf of the many other Ramgarhia institutions of the United Kingdom.

It gives me a added pleasure to learn that the team will be playing a number of matches in the United Kingdom and Spain at a very high level including a match against the Ramgarhia Hockey Club, Southall. The matches will be played in a truely Sikh uniform by the Namdhari team.

It will be delight to watch the skilful play of the Indian style against a powerful response of British style. No doubt it will be an educational event.

In the field of race relations, I am sure, the high level of self and team discipline will promote common brotherhood, a fundamental requirement of sikh faith.

May I wish the team a very successful and happy tour of the United Kingdom and Spain.

NAMDHARI SIKHS.

The Namdhari Sikhs are ethically strict followers of the 10th SIKH GURU, SRI GURU GOBIND SINGH JI MAHARAJ and follow the teachings of all the Sikh Gurus. Worship and religious practices are almost the same as the orthodox Sikh community. There are variations in some of the customs, notable in the marriage customs. The main difference is that the Namdhari Sikhs believe in a continuing succession of living Gurus following on from the 10 Gurus of the orthodox sikhs. Namdharies also believe in Sri Adi Granth Sahib Ji and Sri Dasam Granth Sahib Ji (both Sikh holy scriptures) with equal respect.

On the eve of Baisakhi festival (12th April 1857) the 12th GURU SRI SATGURU RAM SINGH JI MAHARAJ formed the "SANT KHALSA"-the Namdhari Sikh community and raised the "White Flag" symbol of peace, unity, purity, simplicity, truth and freedom. Sri Satguru Ji revived Sikh law and religious beliefs and started the freedom movement of India. Namdhari Headquarters are at Sri Bhaini Sahib in Ludhiana District of the Punjab in northern India.

The present supreme spiritual head of the World's 2,500,000 Namdhari Sikhs is 69 year old, his Holiness Sahib Sri Hazoor Satguru Jagjit Singh Ji Maharaj (3rd successor to the 12th Guru) who succeeded Sri Satguru Partap Singh Ji Maharaj in August 1959.

Namdhari Sikhs are staunch vegetarians and teetotallers, and are also very much involved in an International peace movement. Under the spiritual guidance of the Living Guru, the Namdhari Sikhs observe and preach the principles laid down by the Sikh Gurus, many of which are contained in the sikh scriptures.

There are over 10,000 Namdhari Sikhs living in the United Kingdom. The headquarters are based at Gurdwara Namdhari Sangat (temple) in London and there are also two other temples, in Birmingham and Leeds.

Satguru Partap Singh Ji comes in the long line of great Seers and Saints who has raised the consciousness of true religion in one Almighty God, one humanity, universal love and endeavoured to liberate mankind from the shackles of hatred and fear.

Today humanity is in need of a spiritualism based on love, truth and service to the community which was taught to the Sikhs by Guru Nanak Dev Ji in the 15th Century, carried forward by Satguru Ram Singh Ji in the 19th century, Satguru Partap Singh Ji in the early 20th Century and presently by Satguru Jagjit Singh Ji.

To follow the life and teachings of all the Gurus is a source of inspiration both by example and precept. I take this opportunity of paying my homage to Satguru Partap Singh Ji on the 100th Anniversary.

As a patron to the Newham Hockey Club, I feel greatly honoured and gratified to welcome His Holiness Satguru Jagjit Singh Ji on the auspicious occasion of the tournament to commemorate the hundredth birthday anniversary of His Holiness Satguru Partap Singh Ji Maharaj.

Teachings of His Holiness are inspiration to all youth in general and the sikh youth in particular. His message has a relevance not only to his disciples but to the whole humanity. It enables one to have a sound mind in a sound body and a pure spirit in pure body-mind.

The Namdhari sect by His Grace exhorts all the good qualities in the individual followers to the highest realms of spiritual flights and absolves the sins by dipping into the Ocean Of 'Naam', through meditation on a simple living and high thinking is a universal message to the humanity at large. It is a panacea to all the ills of the present world facing extinction by pollution and nuclear bombs.

His Holiness, being a source of versatile qualities is the Head of a dynamic and progressive sect. He is infusing an exemplary spirit into the Namdhari youth. It is uniquely admirable virtue to be emulated by the universal sikh brotherhood and mankind in general

This spirit is the dire need of the present troubled world which is full of racial and sectarian conflicts. It will promote love, harmony and goodwill where ever there is hatred ill will and animosity. It will eliminate misunderstanding, gloominess and devise evil forces and will enlighten the world with spiritual light and delight the world with sympathetic joy.

Respect for all life and purity of body and sanctification of environment, with love for nature by recognising it a gift of His Almighty from every respect, is a hope to the mother planet facing extinction from pollution or self destructuon.

It is a sure salvation of mankind who has become victim of its so called Success and 'Civilization'.

MAY HE LIVE LONG!

Lastly, I would like to thank Namdhari brethren who honoured me, a humble person, to write a message to the book to be published on the centenary of His Holiness Satguru Partap Singh Ji Maharaj.

Namdharis, Airlines share points in Sanjay hockey

Hindustan Times Correspondent

NEW DELHI, Oct. 20 — Sirsa's Namdhari XI rallied to hold last year's runners-up India Airlines 1-1 in their quarter-final league match of the ninth All-India Sanjay hockey tournament at the Shivaji Stadium here today.

Splitting points from their second outing, after their solitary-goal victory over Indian Farmers and Fertiliser Cooperative (IFFCO) yesterday, the Namdharis assured themselves of a berth in the semi-finals.

Pool 1 of the quarter-final league was reduced to three teams after the organisers scratched North-Eastern Railway (Gorakhpur) from the tournament on account of their inability to report for today's match against IFFCO.

The formidable Indian Airlines posed danger to the rival citadel in the sixth minute of play when H.A.S. Abdi accepted Hardeep's pass and in turn, sent a cross-field pass to Zafar Iqbal. The latter's reverse from the goalline went abegging across the goalmouth with nobody in position to capitalise on it.

A listless, barren first-half failed to produce anything worth a mention thereafter. The Indian Airlines outfit raided the rival goal with purpose seven minutes inside the second session. Gurcharan Singh, from right, put the ball through to Mervyn Fernandes who had only custodian Swinder Singh to beat but his feeble, rising shot caused no flutters, being palmed away for a corner.

A couple of minutes later, B. S. Negi picked up a return pass from Mervyn inside the striking circle but delayed shooting goalwards and allowed the defenders to effectively block him from having a clear view of the goal.

In the 47th minute, a Zafar sprint down the left flank culminated in Airlines being awarded their second penalty-corner. Mohinder Pal Singh's penalty-corner essay deflected off the goalkeeper's stick on to defender Sukhdev Singh's stick and then rose to strike him on his chin, resulting in a penalty-stroke. Mervyn made no mistake with the stroke to put Airlines in the lead.

Strung by the reverse, the Sirsa team went all out looking for an equaliser and produced the finest hockey of the day in the last quarter of the game. They restored parity within six minutes through Gurbax Singh.

Airlines were awarded their third penalty-corner when Gurcharan Singh was brought down by the Namdhari custodian after having dodged his way past two defenders on top of the semi-circle. However, Abdi failed to stop the push and a Namdhari counter-attack caught the rivals off-guard. Centre-forward Gurbax Singh accepted Didar Singh's pass on top of the striking circle, moved a couple of paces to the left and flicked past the advancing goalkeeper Naveen Kumar into the far corner of the goal for the equaliser.

Gurbax and Didar were a constant threat to the Airlines defence, weaving patterns and making repeated inroads into the scoring circle. Twice the goalkeeper had to advance from under the bar to avert danger.

Express News Service

BOMBAY, May 5.

The citadel fell again in the 18th minute of the game, and Namdhari XI had more than their reputation to defend. Western Railway had raced ahead via two penalty strokes and were still on the hunt when a sudden transformation came about, and Namdhari went broke to eventually troop out 3-2 victors and entered the third round of the Bombay Gold Cup Hockey Championship at the BIA Stadium, here, today.

In the other match, Punjab & Sind Bank had the measure of Bombay Engineering Group (Pune) by two goals to nil to also advance to the third round.

Namdhari did not wait to settle down. They launched their attacks early on, but in the process left holes in their backyard when the defenders, too, bristled up during the raids. Western Railway made two counter-attacks, and this was when the Namdhari backyard was unable to contain the rivals' advancement.

In the sixth minute, centre-half Sukhdev Singh stopped with his foot the ball during a penalty-corner effort by the railwaymen, and right-half Jaswant Singh neatly beat custodian Swinder Singh with the stroke.

Western Railway inside-right Ganesh Pillai dribbled past Sukhdev and left-back Gurcharan Singh Sr. across the striking circle in the 18th minute and was well-positioned for a shy at the goal when Gurcharan tripped him with his stick. Jaswant was again on the target with the stroke.

Namdhari, the white-turbaned outfit from Ludhiana are a strange lot. They are strict vegetarians, drink only well water and have brought a cook with them. And they are obviously not used to reverses, being a recently formed team, and are quite popular here. They were on full cry, and their sixth penalty-corner in the first-half cut the margin as Gurcharan Sr. rifled the ball to custodian Abdul Wahid's left in the 21st minute.

Namdhari maintained their superiority in the second-half. But they had to wait till the 29th minute. Left-winger Balwinder Singh right on target with the penalty-corner.

Both teams sighted the goal in the last five minutes, but Western Railway's Chandra Sekhar and the bank's Gurcharan Jr. met with no luck. It was right-winger Didar Singh who got the match-winner with four minutes to go, slamming in off the fourth penalty-corner of the second-half.

In the second match, PSB and BEG fought out a goalless first-half, but centre-forward Hardeep Singh brought off a fine solo to dribble past two defenders and beat custodian Kesar Singh with a diving effort in the 10th minute.

The goal changed the complexion of the game where both teams missed opportunities.

Hardeep was the toast of the PSB camp as he got the brace in the 14th minute, controlling a pass from right-winger S. Dhatia and scoring from a difficult angle.

Hardeep was on his hat-trick chase, and he couldn't have found a better opportunity to complete it. Came a stroke as the custodian dangerously obstructed him. But Hardeep's effort was baulked by the goalkeeper.

ACKNOWLEDGEMENT

On behalf of the Namdhari Sports Committee U.K. my special thanks go to all advertisers and contributors who responded to compile this brochure at a shgort notice and furthur extending welcome to our touring team.

I apologise for any error that may be found and also for any material that could not publish due to shortage of time and space.

Secretary = Namdhari Sports Committee – U.K.

AJIT SINGH MBE MRTPI
107 WHITTON ROAD
HOUSLOW
MIDDLESEX
TW3 2EJ

17th June 1989

I received the welcome news of the first visit of the Namdhari Hockey Team to the U.K. and the Continent with great delight, and with the expectations of watching some very exciting hockey matches. The Namdhari Team has earned a very well deserved reputation as one of the top most teams by winning several International Tournaments in India.

They have kept to the true Sikh tradition of holistic approach to life and faith which the Sikh Gurus inculcated amongst their disciples; and always wear the traditional Sikh garments and symbols with pride even on the hockey field. Sport has always been a very strong bonding factor amongst the Sikhs.

This team is a great inspiration to our youth globally, and a proof that you do not have to reject your identity and values in order to play in an international environment. As always the Namdharis have once more enriched the international scene through this contribution of theirs.

I wish the Hockey Team every success during their visit to the West, and pray that this team gains newer heights under the guidance of Thakur Udai Singh Ji.
